

Bungalow with spectacular views of the sea and mountains for sale in Alfaz del Pi

Spacious and sunny bungalow, with its own guest apartment, near the Norwegian school of Alfaz del Pi. This cozy and well-maintained bungalow is in a well-functioning housing complex in a pleasant setting close to the Norwegian school, and only a 5-minute drive from the center and all the facilities of Alfaz del Pi. The 140 square meter bungalow house is distributed over three floors, including a fabulous roof terrace with fantastic sea views and a guest apartment with its own entrance on the lower floor. All floors are connected by a wide internal staircase. The main floor offers a bright and pleasant living room with fireplace and direct access to two large covered terraces with beautiful views of the surroundings and the Mediterranean. In addition, the floor offers a practical and open kitchen with a good dining area, with an attached utility room; entrance hall with large closets, as well as 3 good bedrooms and two nice bathrooms. The spacious master bedroom offers an en-suite bathroom. The lower floor is connected by an internal staircase and a door and consists of a large and spacious guest apartment with a living-dining room with an open and practical kitchen; 3 good bedrooms, 1 spacious bathroom with shower and bath tub, gym and garage. From the living room you have your own exit to two private covered terrace with seating/dining area. At the top of this large and beautiful bungalow, and connected by an internal staircase, is the fabulous large roof terrace. Here you can enjoy the sun and the view all day! The roof terrace offers an outdoor kitchen with barbecue, plenty of space for seating groups, a dining area and sun loungers, as well as a pergola with awnings for shade. From here you have a wonderful 360 degree view of the Mediterranean Sea, the mountains surrounding. As the bungalow is located in the widest corner of the complex, it also benefits from the largest outdoor area. Here there is plenty of space for sitting areas, a dining area and sun loungers. There are also plans for automatic irrigation of plants and flower beds, and space for several cars outside the garage. As the outdoor area is terraced and can be separated from the inside, both houses can enjoy privacy and are inhabited by two families. For the rest, the house offers air conditioning in all rooms, induction hobs, valves in all rooms, fiber network and various other amenities. Equally important is that the housing complex offers a large and inviting shared pool in the middle of the complex, with a caretaker who keeps the common areas clean and in good repair at all times. Large, well-kept bungalow with two units and excellent sea views!
