

MAGNIFICENT VILLA IN ALBIR

Large villa in a quiet residential area of El Albir, with a beautiful 900m plot with gardens and private swimming pool. On the ground floor, there is a large storage room, laundry area and another large space that is currently empty but could easily be used as a games room, gym or study, depending on your needs. This makes the ground floor very versatile for a variety of uses. On the first floor, there is a spacious, bright living/dining room with access to a beautiful terrace with open views. Adjacent to this is the large, fully fitted and equipped kitchen, with enough space to eat in if desired. There is also a full bathroom on this floor. On the second floor is the master bedroom with a large dressing room, en-suite bathroom and access to a beautiful terrace where you can enjoy unique views every morning. In addition, the house has a neat and cosy glazed terrace in the garden area for various uses, such as family meals or a reading room, inviting you to enjoy a moment of peace among the gardens and the rays of light that shine through the plants. It is ideal. In the outdoor area, there is a pool house with a bedroom and full bathroom, barbecue, and gardens where you can enjoy moments in the sun or shade, depending on what you feel like. There is sufficient outdoor parking space for 2-3 cars, via 2 entrances with electric gates, as well as a closed garage. I recommend you come and explore it!
