Recently built villas for sale in Finestrat

There are 15 villas located in Sierra Cortina, there are three types with 360° views of the sea and the mountains. These are independent villas with three bedrooms and two bathrooms, kitchens furnished and equipped with a hood, induction hob, dishwasher, oven, refrigerator and microwave. Air conditioning through hot / cold ducts and installation of a solar panel for hot water with an electric water heater. The houses are designed for optimal energy savings, taking advantage of natural resources. They also have home automation (domotica) with interior lighting control, blinds, air conditioning and video intercom. They are delivered with a swimming pool, garden with automatic irrigation and exterior lighting and a wood-burning barbecue.
